To whom it may concern,

Marcelo Montoro, representing Crismachem, a leading global distributor of construction chemicals, wishes to notify that it has been a privilege to work together with Tika Construction Chemicals Manufacturing in Libya, providing them with chemical additives as well as technical support to produce CTAs under the European Standard UNE 12004.

At Crismachem, we always strive to provide high-quality, tailor-made solutions for our clients. We take pride in contributing to the success of Tika Construction Chemicals Manufacturing through our commitment to excellence and innovation in specialized chemical products.

We deeply value the business relationship we have built over time with Tika Construction Chemicals Manufacturing and look forward to continued collaboration in the future.

We are available for any inquiries or clarification that may arise.

Sincerely,

CRISMACHEM S.L

Marcelo Montoro
